

NANOPHOTONICS

PUBLICATION FEES EFFECTIVE January 2022

Article Processing Charges

In order to sustain the production of our fully-refereed open access journal, each article accepted for publication in *Nanophotonics* is subject to an Article Processing Charge of €2500. (For 2021 submissions €2250) This fee is used to cover the costs of the peer-review process, professional typesetting and copyediting, as well as online hosting, long-term preservation, distribution to libraries and content aggregators worldwide, and extensive promotion to potential readers.

Information regarding payment of these charges will be provided following acceptance for publication. Inquiries concerning Article Processing Charges should be addressed to the Managing Editor (see contact details below).

Waiver Policy

If the submitting author is affiliated with an organization which is listed as an [Institutional Member](#), this membership covers the cost of the Article Processing Charge and the author is exempt of any further expenses. Moreover, Article Processing Charges may be waived for authors who work for institutions in developing countries (countries classified by the World Bank as [low-income](#) and [lower-middle-income](#) economies). However, other authors who do not fulfill these criteria can also request a waiver or a discount during the submission process.

Funding Opportunities

Authors who are looking for funds to support the payment of Article Processing Charges have a number of options to consider. For details visit our website.
